Return of Original Documents - Use Form G-884, Request for the Return of Original Documents, to request the return of original documents submitted to establish eligibility for an immigration or citizenship benefit. You only need to submit one Form G-884 if you are requesting multiple documents contained in a single USCIS file. However, if the requested documentation is in more than one USCIS file, you must submit a separate request for each file. (For example: If you wish to obtain your mother's birth certificate and your parents' marriage certificate, both of which are in the USCIS file that pertains to her, submit one Form G-884 with your mother's information.)

NOTICE: Under the Immigration and Nationality Act (INA), the information you provide on and in support of applications and petitions is submitted under the penalty of perjury. USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

Notice for Customers with Disabilities

USCIS is committed to providing customers with disabilities the same level of access to its programs and activities that customers without disabilities have (see the USCIS Web site for an explanation and examples of accommodations). If you need an accommodation for your appointment due to a disability that affects your access to a USCIS program or activity OR if a disability prevents you from going to the designated USCIS location for your appointment, please call the USCIS Contact Center (UCC) at 1-800-375-5283 (TTY: 1-800-767-1833) to request an accommodation.

Call the UCC even if you indicated on your application or petition that you require an accommodation. Also, you must contact the UCC to request an accommodation each time you have an appointment with USCIS. For example, you must call the UCC to request an accommodation for your biometrics appointment and again for an accommodation for your interview appointment.

NOTICE: All domestic USCIS offices are accessible to individuals with physical disabilities. You do not need to request an accommodation if your **ONLY** need is an accommodation that would enable or facilitate you having physical access to a domestic USCIS office.

NOTE: Naturalization applicants should not call the UCC to request an exception from the English and/or civics testing requirement. You must submit Form N-648, Medical Certification for Disability Exceptions to request an exception. See the form instructions for additional information.
